WASN'T FROM MISSOURI

It wasn't a Missouri editor but a printer's devil who was going through his first experience on "Making up" forms. The paper was late and the boy got the galleys mixed. The first part of the obituary notice of an impecunious citizen had been dumped in the forms and the next handful of type came off of a galley describing a recent fire. It read like this:

'The pall bearers lowered the body to the grave and as it was consigned to the flames there were few, if any, regrets, for the old wreck had been an eyesore to the town for years. Of course there was individual loss, but that was fully covered by insurance."

The widow thinks the editor wrote the obituary that way because the lamented partner of her joys and sorrows owed him five years' subscription.—Exchange.

KILLED BY ELECTRIC CAR

Two Women Run Down Wednesday Night

OnWednesday evening at 9:34 a Pacific Electric Car going east on Broadway struck two women to the ground killing one instantly and the other died before she could be put on the operating table at Thornycroft, where she was taken.

The two women, Miss Rachel M. Sherer, whose home was the corner of Adams and Broadway, and Mrs. Sarah Coleman, of Los Angeles, were going from the Presbyterian Church where they had been attending evening services, to the home of Miss Sherer.

Mrs. Coleman was visiting Miss Sherer.

They crossed Broadway at Belmont and were struck down at that place.. All possible aid was given, but Mrs. Coleman was dead and Miss Sherer is in a serious condition.

The conductor on the car was C. W. Straight of 826 Ethel street, this city. The motorman was J. M. Carter of 494 Granada court, Los Angeles. When examined by officers of the police department following the accident, Mr. Carter stated that he saw the ladies on the street when about fifty feet away and rang the gong and pinched the air brake to retard the speed of the car; that he thought they were going to give him the right of way and wait for the car to pass; that the car was running at about 12 miles an hour.

The coroner's inquest was held on Friday afternoon.

Both the victims were aged and were very well known in Glendale. Miss Sherer, being a sister of the City Clerk J. C. Sherer. Mrs. Coleman was a resident here several years ago.

Cameron De Hart has been appointed assistant Food Administrator for greater Glendale and will assist Food Administrator Booth in taking survey of the flour and wheat supply in this district.

The twenty-nine men called in the last draft must be entrained on April 26th, according to instructions received by the Local Board from the Adjutant General. Thirteen men have already been passed upon. Following is the names and addresses of the men who will go on the 26th:

MISS BLANCHE SHEA ENTERTAINED

Mrs. Laura Bennett, of 228 Mira Loma avenue, entertained her sister Miss Blanche Shea, with a dainty party on Wednesday evening. The house was beautifully decorated with huge boquets and garlands of bridal wreath, which might have prepared the guests for the surprise to come later in the evening, had any one been so observant. Games furnished the entertainment of the evening, and Miss Olive Moffitt carried away first prize playing Five Hundred. Refreshments were served at small tables grouped about a large one, at which the guest of honor, Miss Blanche Shea, was seated. Perched on the edge of each sherbet cup was a dainty yellow bird, bearing in its bill the names of Miss Blanche Shea and her fiance, Mr. Frank Starr, announcing their engagement, which was followed by congratulations from those present.

Miss Shea is one of our most popular young ladies, and she has won for herself a large circle of friends. She was one of the organizers of the Round Table Girls, a social club of several years standing, and is a prominent member of the Pythian Sisters Lodge, and belongs to several organizations of the Presbyterian church. It is hoped that the young couple will make their future home in Tropico, for they will be greatly missed if they should go elsewhere. The date of the wedding has not yet been set.

Mrs. Bennett was assisted in entertaing by her sister, Miss Lila Shea, Mrs. James Kier, Mrs. Lucile Ramsey and Mrs. Shea and Miss Scott of Inglewood. The guest list included Mrs. William Cox, Misses Harriet Myers, Carrie Stone, Olive Moffatt, Shirley Moffat, Dorothy Hobbs, Ruth Rider, Gladys Hamilton, Essie Hamilton, Amy Miller, Rose Virden, Mesdames Noble Ripley, Fred Spear, Frank Cook, Hugh McClellan, Glen Craig, William Huber of Los Angeles, Richard Kier of Los Angeles.

PROCEEDINGS OF BOARD OF TRUSTEES

GEORGE B. WOODBERRY ELECTED CHAIRMAN BOARD OF TRUSTEES

The retirement of the old Board of CityTrustees and the organization of the new Board was effected Monday evening.

The meeting convened at 5 P. M. with Chairman Thompson in the chair. There were several items of unfinished business to be disposed of, one of which was the amendment of the ordinance providing for the issuing of bonds of $17,000 for fire apparatus, the amendment covering a merely technical matter by which the bond coupons were to read "Payable in gold coin" instead of "Lawful money of the United States." The amendment was declared read for the second time and laid over for final reading.

The next item of business concerned the proposed contract between the City and American-La-France Company, for the purchase of fire apparatus. A change was made in a rider attached to the contract under which the company was to have the privilege of substituting other materials than those called for in the contract in case war conditions should make it impossible to secure the materials named in the specifications. For that clause a rider prepared by City Attorney was substituted, with the consent of the representative of the contracting company, which provided that any substitution of materials should be subject to the knowledge and consent of Glendale officials. The instrument also definitely fixed the time of delivery of apparatus to 120 days from date of signature of contract. With those amendments the contract as drawn was signed after due authority had been given by vote of the Board.

The vote at the recent city election was then canvassed and C. H. Henry and Hartley Shaw were declared lawfully elected as City Trustees, J. C. Sherer, City Clerk, and J. W. Stauffacher, City Treasurer. The oath was then administered to these officers and they were formally inducted. Messrs. Thompson and Grist retiring and Messrs. Shaw and Henry taking their seats. The reorganized board then elected G. B. Woodberry its chairman. The appointment of committees was deferred until a subsequent meeting. Mr. Woodberry accepted the chairmanship reluctantly, declaring he did not feel equal to increased work or responsibilities.

WOMAN VICTIM OF STREET CAR ACCIDENT

Mrs. Lelita Barsena, of 406 Cedar street, was struck by a Glendale-Montrose street car, and sustained injuries which resulted in her death Tuesday afternoon. The accident occured Monday evening on Glendale avenue, at about 8:30 o'clock. Mrs. Barsena was in company with her little granddaughter, Lelita Hernandez, five years old, and was going to board a street car. They started to cross Glendale avenue by the Ross Packing House, and evidently did not see the street car coming. Just as they attempted to cross the tracks the car struck them, throwing them both down, but not seriously injuring the child. Mrs. Barsena, in an unconscious condition, was taken to the Glendale Sanitarium, where it was found that she had sustained a bad wound above her forehead, a severe fracture of the jaw and internal injuries.

The car which struck her was in charge of conductor John Danforth, of 914 West Fifth street, and motorman W. B. Phillips, of 1617 West Colorado.

D. O. MARTIN INJURED WHILE GETTING OFF STREET CAR

Daniel O. Martin, of 208 1-2 S. San Fernando boulevard, fell from a Pacific Electric street car at the junction of Brand and San Fernando boulevards and sustained serious injuries. The accident happened Monday morning at about 8:15. Mr. Martin boarded the car at Tropico avenue; it was a two-car train and he got on the front car, which was somewhat crowded and no seats vacant. From the rear of the car he could see that the other car had some vacant seats, and when the car stopped to pick up some passengers at San Fernando boulevard he concluded to get off and take the rear car. In getting off he lost his balance in some way and fell to the pavement, landing on his right hip. He was picked up by a passing automobile who took him to his home, and on Thursday he was taken to the Glendale Sanitarium where an X-Ray operation was performed, and it was found that his injuries was confined to a fractured hip.

Mr. Martin and his wife were going to make a trip back east to visit their son and daughter, and were intending to leave Wednesday. They had already purchased their tickets, and when the accident occured, Mr. Martin was on his way into Los Angeles to arrange for Pullman accomodations.

LIBERTY LOAN WORKERS ARE GETTING GOOD RESULTS

Last Saturday evening the Liberty Loan Workers assembled at their headquarters in the Bank of Glendale building. Practically all of the workers were present to make their report and discuss plans in general with their co-workers. From the reports made it shows beyond a doubt that Glendale and Tropico are going to do their share in subscribing to the Third Liberty Loan, and the workers are not going to let up with the work until everybody in this community is visited and given an opportunity to purchase a Bond. We ought to at least subscribe to double our quota, and if every one of us realizes just what these Liberty Bonds mean, the subscription will be double the quota.

These Bonds Mean So Much More Than Money

Your money would be of little use to you if the Germans should win the war abroad and come over here to complete their work of world subjugation. Invest your money in Liberty Bonds—one Bond arms a soldier and may save his life.

✚ RED CROSS NOTES ✚

The big event of the season will be the carnival to be given by the Local Red Cross Auxiliary. The date has not been definitely set, but it will be sometime about the middle of next month. It will be given at the Tropico Playgrounds, and a program of entertainment is being made that will be enjoyed by the youngsters, as well as by the grown-ups. Dancing on the large tennis court will be one of the features in the evening. Further particulars of this event will be given in next weeks issue.

The Surgical Dressings department of which Mrs. Wililam Harvey, Jr., is chairman, had a large attendance on both Monday and Wednesday, and the quality of work turned out showed the great enthusiasm which is always in evidence. Those present at the meetings were: Mesdames A. A. Burbank, J. A. Logan, Frank Ashton, F. Haniquet, J. Bottom, A. O. Gallup, C. H. Barker, F. W. Brown, C. M. Turck, G. M. Adams, Clyde Carmack, O. P. Rider, C. C. Steelman, M. Vole, A. Stepheson, M. Willard, John Hobbs, C. Chandler, L. McDonald and Miss Gallup.

HIGH SCHOOL ORATORICAL EVENTS

Next Friday evening, Mr. Howe's annual celebration will be staged in the High School Auditorium. The line-up promises to be the best in years.

Harland Durand, who represented his class last year will represent the Seniors with "Right Makes Might" as his subject. Harland is one of our star debators and the Seniors have high hopes.

Philip Wernette our young debater, who surprised the followers of debating this year and helped put us second in our league, will represent the Juniors, with "The Lost Provinces." They promise another surprise.

Clarence Ralston of speaking fame, a newcomer this year who has made good, will speak for the Sophomores on "The Prussian Menace."

For the Freshmen, we will hear Miss Esther Black, the only feminine contestant, who will uphold her sex in "The Crisis and Women."

As it is a single performance and all the high school students attend, there will be little room for outsiders owing to the size of the Auditorium.

The separate classess are hard at work on their booths and each claims the honor already won.

Mr. Moyse returned Monday morning from the convention of the High School Principals of California, held in Oakland the latter part of last week where the message was to avail the facilities of the schools to assist the government in every way possible.

One of the activities which the government is promoting is the United States Boys Working Reserve, under the Department of Labor, which will endeavor to assist in the harvesting of crops this summer.

A large number of the boys have been enrolled and our school will be able to fill its quota. The government wants boys between 16 and 21 to take up this work which is headed by Mr. Moyse in this locality. He will be glad to give further information. The board and lodging and pay is regulated by the government.

The Sophomores and their friends enjoyed themselves at a party and dance held at the home of Miss Mary Logan.

OFFICIAL FOOD NEWS

Issued by
U. S. Food Administration
for California
RALPH P. MERRITT, Commissioner

The U. S. Food Administration for California announces that all meatless days and porkless days have been discontinued until further notice and that it is the specific request of the Government that people fix their attention on the saving of wheat as well as grains of all kinds.

You may eat all the meat you need, but be sure to save every ounce of wheat and wheat products that you can and if possible do entirely without bread until the next harvest. Many thousands of American families are now doing this by substituting potatoes and other vegetables for bread.

The object of the wheat campaign is to cut consumption one-half. Keep your eye on that goal; let nothing turn you aside. We are in a race with Germany. "Food Will Win the War"—but whose food?

The American people have been asked to save 100,000,000 bushels of wheat by July as a military necessity. You are a military unit in the campaign and three times a day you are called on to do your share. If you fail you imperil the safety of the army on the other side. No reason, no excuse matters; the only thing that counts is saving the wheat—the cut must be made.

"But biscuits are the quickest to make," objects one woman.

That's an excuse, not a reason—if you must have biscuits why not barley biscuits, rice biscuits, or corn flour biscuits?

"I must keep light bread on hand," says another, "my oven is often not hot enough for cornbread."

Another excuse—mush, rice, potatoes or hominy are excellent bread substitutes and can be cooked on top of the stove.

"But," and this is heard from many women, "my grocer has no substitute flour for 'Victory Bread.'"

Well, why not potatoes? Potato bread is excellent and potato biscuits a treat. There are always potatoes too small to bake that can be turned into bread. Small potatoes make large loaves. Substitute brains and the will to conquer for excuses, and the wheat will be saved.

One woman who could buy no substitute cereals at her store and had no money to order elsewhere made two weeks' supply of flour do for three. She did the job; she cut flour consumption one-third, and that's the point.

How to save your share of that 100,000,000 bushels of wheat is mostly a matter of ingenuity. When you get in a tight place use your head—substitute brains—but above all do the job.

By planting potatoes this spring the farmer has an unexcelled opportunity to make good profits and at the same time to render a patriotic service to the Government by producing an essential food commodity, the United States Food Administration for California announced today.

At the **PRESENT TIME** there is a large surplus of potatoes in California, which may be purchased from $1.50 to $2.00 per 100 pounds retail. Last year the same potatoes were selling for between $6.00 and $8.00 per 100 pounds. Because of that exorbitant price the consumption of tubers fell off approximately 50 per cent, and the public has been slow in resuming the use of potatoes as a staple.

This situation, the food administration announced, has resulted in a temporary glut in the market and unless there is greater consumption within the next 60 days thousands of bushels of potatoes will rot in the bins. Potatoes should be served on the tables of every family in California not only as a means of using up the present surplus, but to stimulate immediate planting on every available acre.

Potatoes are a splendid substitute for wheat flour and wheat products, so urgently needed on the firing line.

In an appeal issued today the food administration urges all housewives to "do your patriotic duty by using potatoes as a substitute for bread." Potatoes, the appeal declares, are the only article of food that we have on hand now in excess of our normal requirements.

In view of the **PRESENT SURPLUS**, however, many short-sighted farmers have refused to plant them this spring and for that reason a limited crop and good prices are predicted by the food administration for next year. One planter, known throughout California as the "potato king," has put in hundreds of additional acres, anticipating big prices next year because of the shortage of wheat and other cereals

Any food consumed over and above the needs of the human body is wasted.

We have to put every ounce of effort behind the men behind the guns.

Not "Bit" but "Utmost"—the end is worth our "All."

A single front, a single army, a single people.

Save Or Starve.

How Do Your Sacrifices Compare With These?

THE American boy who goes to war gives up the position which means so much to his future, or the little business which has just begun to show promise of success.

He severs home ties; gives up home comforts; leaves behind parents, friends, wife or sweetheart.

He faces the probability of being obliged to take up life anew when he returns; of losing all the advantages which years of hard work have won for him.

He faces the possibility of coming back incapacitated for earning a living, and of being dependent upon his friends or upon charity.

He faces the possibility of never coming home at all.

Facing these things, he goes to France to fight for us who remain safely at home — and when the moment comes for him to go over the top — he **GOES!**

What will he think, how will he feel, if we complain because we are asked to make a few sacrifices for him — sacrifices so insignificant when compared with his?

Show him that to invest in Liberty Bonds is not a SACRIFICE but a PRIVILEGE — an appreciation of his sacrifice!

And When You Buy—*Buy!*

AT THE PALACE GRAND

The program at the Palace Grand for the week beginning with today's matinee, Saturday, April 20, is of exceptional interest and well deserves your time and attention.

Luxe production; Maeterlinck's "The Blue Bird." This is a wonderful picture; a mighty spectacle of happiness; containing a thousand smiles, a thousand sobs, and a thousand beautiful scenes. You will miss a grand picture, one of the finest ever shown in Glendale; if you miss "The Blue Bird." In addition will be shown Harold Lloyd (Luke) in "Let's Go," and Bruce's Wonder Out-Door Scenes. The regular daily matinee starts at 2:30 and two evening shows at 6:45 and 8:45.

Everybody knows Elsie Ferguson and her acting; and will be glad to hear that she will be shown, Sunday, April 21, in "The Song of Songs." This is a picture that holds your interest from beginning to end, one you will enjoy. Also a Henry Lehrman two-reel Sunshine Comedy, "A Milk Fed Vamp." The matinee begins at 2:30 and the two evening shows at 6:45 and 8:45.

There will be no pictures on Monday, April 22, and no matinee performance. The theatre has been turned over to a Red Cross Benefit, in which Miss Edith Lindsay will present her pupils in a program of artistic dancing. Many prominent Glendale chil

lren will take part and the first appearance in Glendale of the famous 'Fox Kiddies," Violet Radcliffe, Carmen De Rue and Raymond Lee. The one evening performance will begin promptly at 8 o'clock, and the admission will be, for children, 15 cents, and for adults, 25, 35, and 50 cents. Remember it's for the Red Cross.

Sessue Hayakawa in "The Honor of His House," his latest screen success, will be the feature for Tuesday, April 23. The story is somewhat different, intensely thrilling, filled with great acting and beautiful settings. See it. Also a very good two-reel Henry Lehrman Sunshine Comedy. Matinee begins at 2:30 and the two evening shows at 7:00 and 8:45.

On Wednesday, April 24, "The Sign Invisible" a great attraction,, with Mitchell Lewis and same cast that starred in "The Barrier." This picture was produced by Edgar Lewis, producer of "The Barrier." Also the seceond instalment of the Official War Pictures, "The Italian Battlefront." The matinee begins at 2:30 and the two evening shows at 7:00 and 8:45.

"Jules of the Strong Heart" featuring George Beban, the great character actor in a tense drama of love and daughter, with a powerful plot laid in the great North Woods. Full of pathos, happiness, vigorous action and the joy of living. Also one reel of comedy, and Paramount Pictograph and Cartoon Comedy. The matinee begins at 2:30 and the two evening shows at 7:00 and 8:45.

On Friday, April 26, the adventures of Madge Kennedy in "The Danger Game" a thrilling comedy adventure will be shown in addition to the first installment of "The Son of Democracy." "The Son of Democracy," is a series of pictures under different titles and each a story complete in itself. The story for Friday is entitled, "My Mother," and is strong in sentiment, showing dramatically the log-cabin birth of "The Son of Democracy," the gentle influence of Lincoln's Mother, developing the boy who became the President. There are rollicking scenes of boy life, and homely humor in the pitiful efforts of Abe's father to learn to read and write. Don't miss the first one; next Friday will be shown the second installment, "My Father," under auspices of the Junior Red Cross. The matinee begins at 2:30 and the two evening shows at 7:00 and 8:45.

RED CROSS BENEFIT

On Monday evening a benefit will be given for the Glendale Red Cross at the Palace Grand Theatre. TIN SITUATION RATHER TRYING

Scarcity of spot tin is acute. Neither Straits nor Panca is to be had in the open market, the only available being Bolivian and Chinese No. 1, the best of which is 99 per cent in quality. Eastern tin is not being reshipped from England to the United States, and the short supply is believed to be due largely to the scarcity of bottoms. Practically all tin from the East is taken by the Government.
